The Honor Society of

Phi Kappa Phi

Chapter 100

The History of the Phi Kappa Phi National Honor Society

Phi Kappa Phi is the only national honor society to recognize superior scholarship in all fields of study and invites into membership the highest ranking students from every branch of learning at more than 300 outstanding colleges in the United States, Puerto Rico, and the Philippines. Each year, approximately 30,000 members are initiated. They are united by their love of learning and embody the society's motto: Philosophia Krateito Photon: **"Let the love of learning rule humanity."**

Since its founding in 1897 at the University of Maine, Phi Kappa Phi has initiated more than 1 million members into its ranks: all of these members have received keys and certificates of membership. However, Phi Kappa Phi is much more than an emblem and a line on a resumé. It is a global network comprised of the best and brightest from all academic disciplines – a community of scholars and professionals building an enduring legacy for future generations.

This year marks the 55th year for Chapter 100 on the UNLV campus. The chapter was founded in November 1967, when 20 faculty members and five students petitioned the national office. Each year the chapter invites juniors in the top 7.5 percent of their class and seniors and graduate students in the top 10 percent.

The Phi Kappa Phi Key and Medallion

The Key of the Phi Kappa Phi National Honor Society is a globe against the background of the sun with rays forming a corona that radiates from behind the globe. The rays signify the various branches of learning and represent the dissemination of truth as light. Encircling the globe is a band containing the Greek letters $\Phi\Kappa\Phi$, Phi Kappa Phi, which symbolize the fraternal bond unifying the lovers of wisdom in a common purpose.

The Phi Kappa Phi Medallion depicts the society's seal and badge. Other features of the medallion include a crenelated line representing the walls of Troy, three stars for the three original chapters, and the founding date. The cloisonné enamel medallion, hung on a blue ribbon, is worn at Commencement and other academic functions, to signify the member's academic achievements.

Get Involved in Chapter 100

We encourage members to be active in the community. Past PKP community activities include outreach efforts at local elementary schools through UNLV's Adopt-a-School program and the creation of the Rebel Reading Room at Dean Petersen Professional Development School. We also promote academic excellence through our Member Showcase Lectures each semester. Students can organize poster presentations and information exchanges. We have a special interest in promoting literacy but are open to other opportunities and activities as well. We welcome your interest and participation.
